

3D REMEDY

The C.U.R.E.

biography

3D Remedy was born Rolando Remedios in Brooklyn, NY. Though raised in a Christian home and accepting Jesus Christ at the age of 10 he strayed in his teen years getting involved in sex, drugs, and gangs. After years wasted, he recommitted his life to his one true love, Jesus at age 17. That same year Rolando received the baptism of the Holy Spirit and became active in ministry. At age 18, Rolando committed himself to the cause of Christ. Ordained into youth ministry in June 2002, he ministered alongside a team of youth leaders in Staten Island, NY.

In 2003, Rolando served as the Youth Minister of Pentecostal Church of Christ in Brooklyn, NY. Since then he has developed his gift as a motivational speaker and is now preaching the good news of salvation through out the tri-state area. Rolando is also a gifted rapper using his lyrical ability to share God's love. He effectively ministers through hip-hop music and released his debut album entitled "The CURE", on March 3rd, 2006.

Remedios has also founded C.U.R.E. Ministries and Evolution Musik. C.U.R.E. is an acronym for, Christ Uncensored Revolutionary Experience. It is an evangelistic youth ministry dedicated to preaching the gospel of Christ in laymen's terms. Though the ministry is focused on targeting youth, Rolando ministers to all generations. Evolution Musik is the record label birthed out of C.U.R.E. Ministries, using the medium of music, (primarily hip-hop) to spread the gospel. In hand with the C.U.R.E. it makes an appeal to this city's youth to live out loud for Christ.

Under the direction and anointing of the Holy Spirit, Rolando will continue to preach good tidings to the poor, heal the broken-hearted, proclaim liberty to the captives, deliver those who are bound and proclaim the year of the Lord's favor.
