PROFILE: Christsyde Records proudly presents its first contemporary Gospel release. Hailing from the great state of Louisiana but now residing in Southern California, we introduce to some and present to others the one and only Barbara Haynes. Barbara's sophomore project entitled "How Can I Thank You" is well seasoned contemporary gospel with a sense of knowledge and experience from the soul. This music truly amplifies victory, praise and thanksgiving and is purposed to make a life changing difference to those that might be bound, depressed or just in need of an uplifting of the spirit.
