

Blase

Rarely does lightning strike twice in the same place but, on those occasions when it does, you know that you have just witnessed an unusual occurrence. Well get ready.

On this, their second offering, **BLASE** has indeed struck again. After gaining recognition from loyal fans all over the country, and a watchful eye from major record execs, **BLASE** is coming back with an even hotter, more mature and more spiritually insightful project. **LIVE AND LEARN** is the title of the forthcoming project, set for a summer 2008 release, and the title is not just a catchy cliché phrase. This title came out of spiritual growth and experience. The whole project is a deeper look into who **BLASE** is, and the fact that they are not looking back, but “pressing toward the mark of the high calling which is in Jesus Christ”. The ladies have again teamed up with their label **S4J Entertainment**, to bring you a project that is full of their signature mix of hip hop, jazz, neo-soul and traditional music, which is sure to catch the ear of all who listen. Mr. **Paul Garner** of **PIF Music** in Forth Worth, Texas served as the musical director and producer of this project. You will definitely be able to recognize what Paul was able to accomplish in working with **BLASE** on this project. “**MY GIFT**”, the lead single from **LIVE AND LEARN**, is a sweet, spiritual testimony with mass crossover appeal. The song let’s the listener know without a doubt how **Keschia, Michelle,** and **Sharletha** feel about their ministry. The smash single “**OH NO**”, which features up and coming Houston rapper **Young Disciple**, will let everyone see, that **BLASE** knows how to get a “praise party” started. The smooth title cut “**LIVE AND LEARN**” will sum up the whole idea behind this project which has 10 incredibly well produced and powerfully spiritual songs. These three young ladies from H-town are ready to tell their story and remind everyone that they are still **Bold in the Lord and Spiritually Excited**. In order to “**LIVE** like **CHRIST**, you have to **LEARN** about **CHRIST**.”
