

“**Born For The Battle** has hit after hit on it. Not only for the ‘unique’ music, but for the messages. It will break down barriers.”

- **Yisreal Freedman** / Program Director for WROS in Jacksonville, FL

“I gave ‘Tremble’ a chance, putting it 157 on my playlist. In two weeks, it made it to the Top 30.”

- **Pastor Robert A. Weiter** / Program Director for The Journey Christian Radio Network in St. Louis, MO

Riding on the success of “**Sword of the Spirit**” which saw **The Damascus Experience (TDX)** being played on over 300 plus radio stations in the US, Australia, Europe and Israel, **The Damascus Experience** releases its 3<sup>rd</sup> album entitled “**Born For The Battle**” on **Prince of Peace Records**. Bringing their unique ability to competently fuse all styles of music into one sound, **TDX** embodies the art of worship through song in a way that transcends many racial and cultural boundaries.

The first of four singles to be released is “**My Heart’s Cry**” which is undeniably a cross-platform single. The essential message details how ways of the world are invading the church while the church turns a deaf ear. “**My Heart’s Cry**” is just that—a “cry” from this generation for help. **Melissa Rocha** of **Eagle’s Nest Church** in San Antonio, Texas takes the lead with a powerful spirit filled lead vocal as the one crying out for help, and **Jonathan De La Garza** as the Lord answering “just how much” God loves us and wants us to allow him to “draw us back to Him.”

The Damascus Experience is full of revelation for a world in crisis. As the leader of a “musical church of Acts,” **Rich Spremich**, like Paul, witnessed a rebirth through crisis and uses TDX as a platform to share the good news of Jesus Christ to a world in need...a world that doesn’t necessarily begin where the church doors ends.
