“**We Live Praise**” is not only the title of the new album by **JayMay** but also a statement as to how to live a life of faith through Jesus Christ. Praise should not just be done at church but should carry on throughout the rest of the week in our everyday lives. Through this album JayMay attempts to highlight how this praise can be accomplished. While doing this he enlists the production talents of **Big Ran**, **Msimp** from **Kingdom Music Productions**, **Genuine Life Productions**, **V-Smooth** from GPM Productions and fellow label mate **UnknownN**. On the UnknownN produced “**We Live Praise Intro**”, a track filled with a banging drum line and instrumentation of an orchestra, JayMay sets it off by encouraging believers everywhere to “Praise the Lord” and “Live Praise not just Give Praise”. His approach to the praise element in life is based off of Psalms 63:3-4 “*Because your love is better than life, my lips will glorify you. I will praise you as long as I live, and in your name I will lift up my hands.*” From this standpoint is what allows the album to not only embark on the good side of life, but on the complex issues that we daily face that challenge our relationship with Jesus Christ. **Mark J** stopped to get in on the Big Ran produced track “**Come Back**” which gives a cry out to all those who’ve stepped away from the faith. On the song “**I Love You**” JayMay speaks from two perspectives, one the everlasting love of God and how he sees us, and two how we see ourselves. With **Apaulsoul** singing on the chorus this emotional song captures the essence of God’s love. On the title track “**We Live Praise**” this electric guitar laced produced song by Msimp serves as the albums anthem. The upbeat powerful chorus provokes people to giving God everything through praise. JayMay also gets help from others making advances in the Gospel Hip Hop genre. With fellow Double Edge Sword Records artist **S.O.C.O.M.** and **Da Clay** they join him on an amped up track titled “**We Are Christians**” this song will help people become proud of the heritage of Christianity and what it stands for. They also join him along with **MVP**, **Bridge B**, **JJ Luz**, and **Cnista** on the court room dramatic song “**I’m a Witness**” This song is a fictional depiction of Jesus Christ being on trial and how we as believers’ should be His witnesses to the world by proclaiming what He is and what He means to us. Though the trial is made up in the song, it’s true that we should witness for Him. Featured also is the song “**Throw Em Off**” which will be on the upcoming **Holy Hip Hop Volume 5** compilation album distributed by EMI Gospel. “**We Live Praise**” will graciously be a great addition to the Gospel Rap lover’s collection.

JayMay is also a student at Colorado Christian University pursuing a bachelors degree, full time Soldier in the United States Army, and CEO of Double Edge Sword Records. His continued mission is to impact all those he comes in contact with by sharing God’s love and salvation through Jesus Christ.
