### JON BAUER—FOREVERMORE :

Canada's best & brightest artists have certainly made a major impact on the American Christian music scene. While it is no secret that Canada has produced a bumper crop of uniquely talented artists in many genres over the years, the country's batting average in Christian music has been especially noteworthy. And now, in 2011, Canadian singer-songwriter **Jon Bauer** is stepping up to the plate. Jon's fourth worship-focused recording, **FOREVERMORE**, is also his US debut, with songwriting that has been likened to familiars in the industry like **Chris Tomlin** or **Casting Crowns' Mark Hall**, this collection of songs is already making an impact. Produced by one of the industry's most sought-after producers, 2010 **Dove Award**-winning producer **Rusty Varenkamp (Tenth Avenue North, Meredith Andrews)**, FOREVERMORE features 10 selections with 8 written or co-penned by Jon. "My heart is to encourage people that worship is more than music. It's a lifestyle, and it's a choice. We need to look for ways to serve God and serve others, representing Him to this hurting world."
