The Artist:

Kate Hurley is based out of Boulder, Colorado. She has been touring for the last four years all over the United States and has also played in Brazil, India, Ireland, Scotland, Germany, England, and Belarus. She was a featured artist on “Enter the Worship Circle: Third Circle.” She also had a song featured on the popular “Absolute Worship” series. Her first solo album was called “Breathe Again” and has now released “Sleeping When You Woke Me.” She has started a non profit organization called Mercy Projects which brings together artists to make projects for charities in need.

The Album:

This album brings together Kate’s raw vocals, thought provoking lyrics, and brilliant piano lines. It features the talents of Aaron Strumpel on vocals, Trace Bundy on guitar, and The Black Thorn Project on various blue grass instruments, There is a wide range of songs on the album, which allows the listener to be intrigued and surprised through the entire listening experience. Kate has been compared to Patty Griffin, Tracy Chapman, and Jennifer Knapp.
