For the past three years Kathleen Carnali has been touring the globe bringing Truth to Life through Music. With an average of 150 ministry dates per year, she delivers an uncompromising message with an unashamed passion for the Gospel of Christ. Her music is dynamic with a powerful nexus of mind-gripping melody and a heart-pumping message. Kathleen's vocals cut straight to the heart as they encourage and challenge you to "Choose this day whom you shall serve." Her mission for the Kingdom has made a global impact, having traveled to such countries as Haiti, South Korea, Australia, Honduras, Canada, across the USA, and will soon be preparing for Africa.

Kathleen Carnali's third album *Dangerous Prayer*, produced by Ian Eskelin (Stellar Kart, Krystal Meyers), brings a mix of Pop/Rock and Passion through lyrics and song. It will be available both digitally and in retail stores nationwide. 'Just Another Day' will be nationally released to Christian Hit radio in the Spring of '08!
