

Known for his YouTube clips, **Maurice Griffin** is a man needing little introduction - his voice speaks for itself. Last seen as a finalist on **BET's "Sunday's Best,"** Maurice has become known as one of the hardest working young independent artists in Gospel Music. He's got that "IT" factor - the look, the swag, the heart, and the ability to truly resonate with the listener. This rising star's debut release, *I Am Somebody*, will be in stores everywhere July 5th, 2011.

George Huff from *American Idol Season 3* speaks out, "I am so excited about Maurice's release. His music sounds amazing and has a fresh sound. If you haven't noticed, there is a new generation of pioneers rising up and I have no doubt that Maurice Griffin will be one of the front runners. Look out America; He's going to reach the world!!!" Because of his talents, Maurice Griffin has sung with legendary greats such as *New Direction, Vashawn Mitchell, Dorinda Clark-Cole, Bobby Jones, Canton Jones,* and even songwriter *V. Michael McKay* who wrote "The Battle is the Lords," one of the premier songs that put *Yolanda Adams* on the Billboard charts. Under *Donnie McClurkin's* mentorship, Griffin's goal is to serve and empower other music leaders order to reach their maximum potential. Maurice Griffin has made hard work look easy, and his project *I Am Somebody* simply speaks for itself.
