

The Mitchell Sistas is one of the most exciting female groups to appear on the gospel music scene since the legendary Clark Sisters. After many years of ministering in song and touching the lives of others through their live performances, The Mitchell Sistas were inspired to develop and write songs of their own. The sensational sister act recently teamed up with producer **Alton Lang Jr.** and **C-Stone Entertainment** to record their inaugural CD project entitled “**Nu Day**.” With the initial single “**Praise Him**” currently impacting gospel radio nationwide, The Mitchell Sistas are definitely on the move.

Born into a family of musicians, preachers and singers, this anointed sister ensemble consists of Cherise Mitchell-Zinnerman, Artrise Mitchell-Ashford, LaQuanna Mitchell-Franklin and Consuaella Joette Mitchell. The Mitchell Sistas have captivated audiences with their special blend of harmony and infectious grooves across the country. They have graced the stage in front of thousands at the COGIC Annual Holy Convocation held in Memphis, TN and were recently invited to perform as the special guest at the dReam Center Church in Atlanta, GA where William H. Murphy III is the presiding pastor. Amongst their impressive list of accomplishments are also appearances at the Annual Bobby Jones New Artist Showcase held in Las Vegas, NV.

So get ready for the spiritual high of your life! With their foot stomping, urban/contemporary sound, the Mitchell Sistas debut album will minister and bring healing to broken hearts, edify and inspire young people; admonish lost souls to turn to Christ, and bring encouragement to those who experience disappointments and discouragement while living a Christian life. The Mitchell Sistas are now ready to take their rightful place in the gospel music industry along with some of the same artists they’ve served as opening acts for, such as Darryl Coley, Yolanda Adams, Anointed, Carnell Murrell, John P. Kee, Fred Hammond & Commissioned, and Vanessa Bell Armstrong – just to name a few.
