

all for love

about Sara

Sara Renner has been touring North America as a solo recording artist and worship leader since 2001. She is often accompanied by her dynamic band "The Elements" a racially diverse group of musicians & singers who have been with her since she began her solo career. Sara Renner & the Elements perform regularly in their hometown of Minneapolis, MN and are building a regional and national reputation leading worship at denominational conferences such as the EFCA National Convention (2008/2009) the Baptist General Conference Women's Midwest Regional (2009) and the ELCA Youth Leaders Extravaganza (2007). To further reflect Sara's diverse musical influence, she has toured North America with Grammy-nominated Black Gospel sensation "Excelsior" and is currently the official National Anthem singer for the National Hockey League's Minnesota Wild.

Sara Renner is a full-time, independent recording artist. Her grassroots efforts have gained her growing national and even international respect. Three single's from her 2004 release "Elements of the Journey" received airplay on over 200 radio stations nationwide and the album was distributed in Malaysia, Singapore and South Africa. To date, Sara Renner's music has been shared in over 1000 churches in 30 states and 10 countries. The Pop/Soul sounds of her newest release "All for Love" promise to significantly expand her musical influence to an even greater audience.

Song List

that's the way you love
too much to smile about
i am with you
all for love
love without end
awestruck
i walked on the water
start walkin' again
beautiful soul
joy of your salvation
savor the moment
