### BIOGRAPHY :

The name "Decent" is a combination of his first name and his mother's nickname, "Cent." Daniel Stewart, or **Young Decent**, as he likes to be called, is no stranger to performing and sometimes with his edgy look and creative style, people tend to think he is a rap artist. But he is an Inspirational/Gospel Singer with a bit of Hip-Hop influence. Decent has performed all over New York and has gained supportive fans everywhere he goes, and receives lots of love every time he picks up the MIC. So far he has already performed at places like **BMI, New York University, Walker Stage, The Cutting Room, Club Downtown** and he has also had several television appearances and radio interviews. Decent is a musician at his very own Church, **Onward Ministries**. His voice is smooth and silky and he writes all of his own songs.

Decent has proven that he is a force to be reckoned with on his first single, "**God's Way**." He sings about his life and how it took him to hit rock bottom before he realized that it can only be *God's way*. He attends **Mercy College** in **New York City** for **Music Engineering and Technology**. This young talented brother is focused and determined. He knows where he wants to go in life and no one will stop him, he is gifted and very much "inspired," and he'll continue to bring you the best in the future. Be on the lookout out for him!
