

ZION

In Zion's quest to serve and follow Christ, he, through a personal witness of the Holy Spirit discovered that he had a call on his life to preach the Gospel. In July of 1997, he preached his initial sermon and was licensed into ministry. In October 2002 he began to minister as a solo artist. Since that time, God has enabled him to travel nationally teaching and ministering the Word through gospel rap. One of his greatest inspirations, other than his father who is now a pastor, is a gospel rap minister by the name of Jah Word. Jah Word has been like a big brother to him in ministry. Since Zion began his music ministry there is one thought that still echoes in his mind that Jah Word said, "never lose sight on the real focus, this is strictly ministry". Zion is a faithful and devoted husband to his wife Tranise, father of two sons, Zyere and Zayden, passionate minister and an awesome gospel rap artist. His focus and desire is to win lost souls to Christ at any cost. He stands firm on the Word of God and has made a vow not to compromise his beliefs.
